Our spirit

Our growth

Our days in school

No matter what life's quests, great or slight, assuredly, the BLUE JAY spirit sealed in our hearts by friendships' strong bond will be a guiding and enduring factor.

From the first

Physical fitness begins early, as first graders practice on the jungle bars.

This modern building houses the three first grades and one second grade.

This ultra-modern building is a new gymnasium which seats 700. It is the hub of our extra-curricular activities.

Mr. Bradley, our practice teacher in Social Studies and Physical Education, supervises while Dewitt Collins and James Armstrong secure the basketball backboards in our new gymnasium.

J. H. S. growth is evident. County supervisors waved their magic wand over the vacant lot behind the high school building and wonderously transformed it into a large, sparkling-new gymnasium.

The Third Period Physical Education class seems to be enjoying their basketball game tremendously, especially Albert Macemore and Johnny Reece.

through eighth . . .

In this elementary building, we spent many hours with our favorite pastime—annoying teachers.

To these students, learning is not work, it is fun.

This building houses the aspirations of many students whose growth is watched anxiously by sincere teachers.

A school without a library is like a lake without water — dry, uninteresting, and dull.

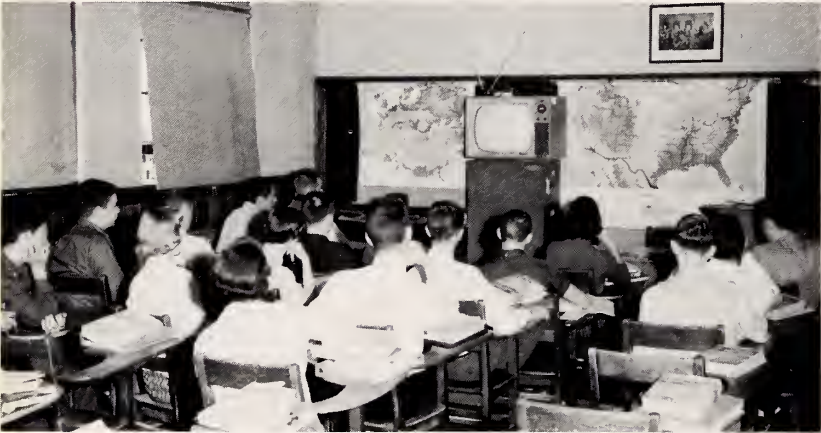

If the BLUE JAY spirit were a flower, J. H. S. would be a mountain of vari-colored loveliness. Certainly the brightest blossoms would be blooming in the corners of the halls.

Between classes and during the break, this is a common sight in the halls.

These lovely ladies(?) were the cream of the crop in our local beauty pageant during Freshman initiation.

Television may be enjoyable but the Juniors claim that U. S. History is much harder than they ever dreamed.

In keeping with Sputnik, we have a wide awake Trigonometry class.

Fifteen await the announcement . . .

Mr. Poteat checks eyes as a part of the driver's training program.

Our new science room has helped to bring our Chemistry program up to par.

on high school.

Always the newest in sewing machines you will find in our Home Economics Department.

Extra-extra-curricular activities!

This building houses a classroom and a large well equipped shop, for learning the newest methods in Agriculture.

Learning by doing, is the chief functions of this department. Throughout the school can be found evidences of their handiwork.

Fun and work in the Extra-curricular activities.

Five happy girls

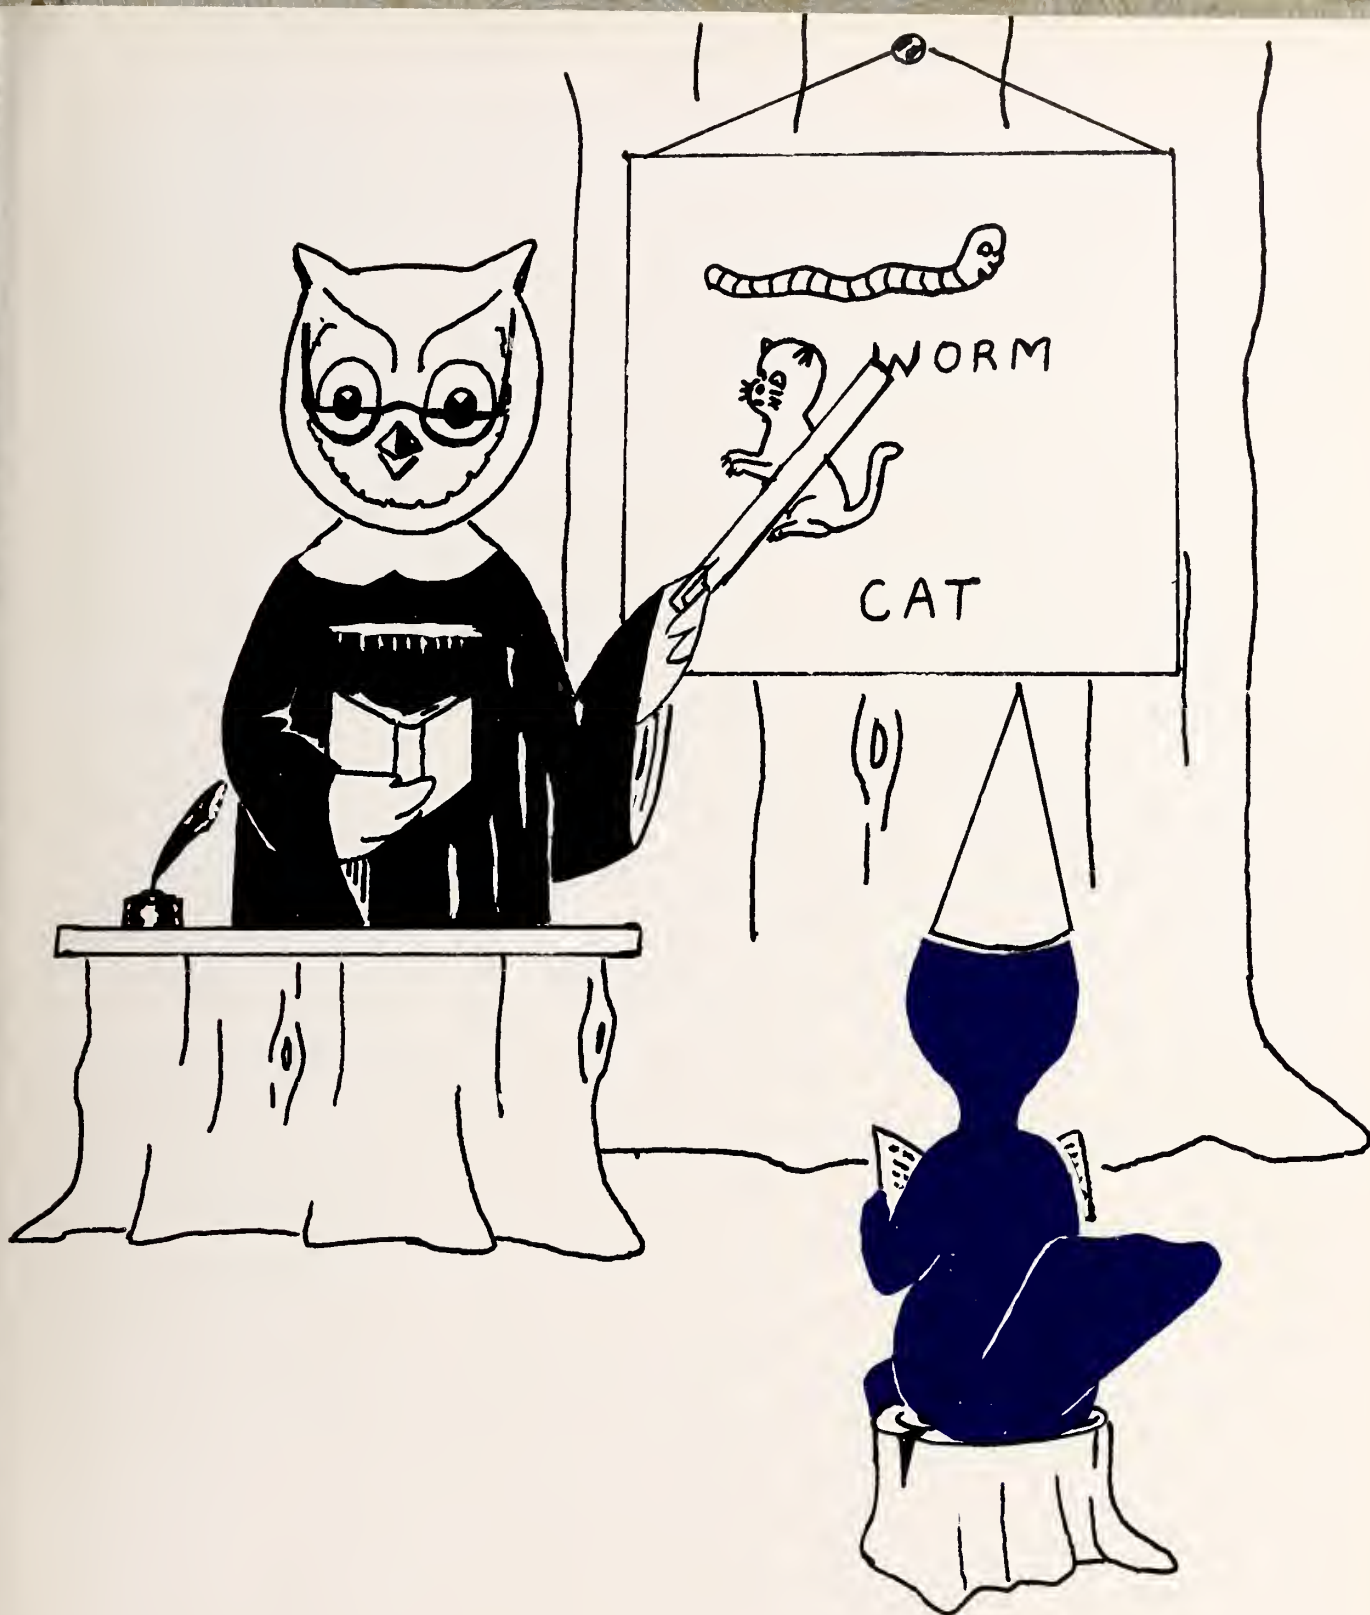

Square dancing fun for all

Just because we think you are so swell, and
One of the best teachers we have known, we
Have to you dedicated the 10th edition of the Blue Jay.
Now to you we would say, "Don't ever decide to
Change your way of teaching," because you
Have passed on to us a great deal of wisdom
And knowledge by telling us of experiences that are
Real, and ones that we may expect. Your great
Love of athletics helped to create a great football team whose
Efforts carried them farther than any other team has gone.
So for these and many other things, we proudly dedicate this
the 1960 Blue Jay to you, Teacher and Coach,
JOHN CHARLES.

*Faculty
and
Administration*

MR. HERMAN GRIFFIN, during his first year as principal, has won the respect and admiration of all the students.

Our school board, consisting of MR. MARSHALL ADAMS, MR. ROY BOLES, and MR. BOB SNOW, always considers what is best for the school in making their decisions.

MRS. STACIE GROCE'S efficiency in the handling of school funds makes the office machinery run more smoothly.

MR. FRED HOBSON, our county superintendent, is always interested in anything that will improve our school system and promote more interest in studies.

MRS. OLA HENDREN, home economics teacher, must have nerves of steel. She is always tasting those special dishes made by her pupils. Ugh!

MR. JOHN WESLEY MATHIS, our social studies teacher and basketball coach, seems to have a "mighty big" smile. Could it be that he knows that his team will carry off the State Class A Championship?

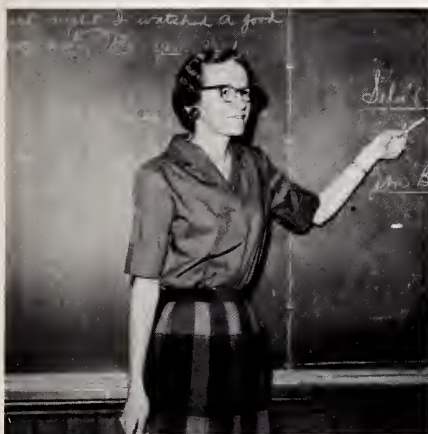

MR. GERALD BOLES, our agriculture teacher, instructs his pupils the correct way to use the complicated tools in the shop, and teaches them the newest farming methods.

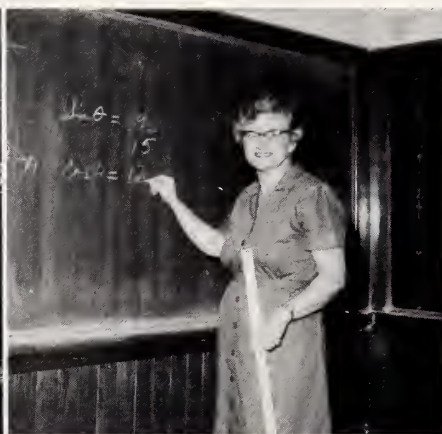

MRS. LOUISE RANDLEMAN, our science and biology teacher, is always willing to help anyone with his work but is "Irrked to no end with those who rattle incessantly."

MR. JOHN CHARLES, our social studies teacher and football coach, seems to be saying, "Now you may not believe this, but it is true. It happened to my great-grandmother."

With a cheerful attitude, MRS. LOGENE HOOD breezes through the usually dreaded Senior English classes.

MISS SPEER, our Algebra, geometry, trigonometry teacher and senior advisor, has a special talent for making friends; and, is a person to whom every high school student looks for guidance.

MRS. IDA FAYE BYRD has a full day teaching Junior English and is kept even busier with being librarian

MISS ANNE WILHELM, our commercial teacher, is soon to be off to Darlington Raceway. She is to announce the '60 races. She practices daily on her third period typing class. "Ready—Set—Go!"

MR. JOE STROUD, our math and algebra teacher, is a firm believer in the old saying, "Read the rule, Boy!"

MRS. JANE HOLCOMB, our French and Chemistry teacher, still manages a smile after fifth period Chemistry class.

MRS. RUBY CANIPE, MRS. KATE KEY, AND MRS. LYDIA JOHNSON work hard getting the first graders off to a good start.

MRS. IRIS CANIPE, MISS MAXINE BRANN, MRS. SARAH FINGER, and MRS. HAZEL NOLAN are helping the second graders establish a firm foundation on their second step of education.

MRS. CATHERINE WILKINS, MRS. MARY HARRIS, and MRS. RUTH WHITE find their job of introducing the third grade pupils to their new books very interesting.

Our fourth grade teachers, MRS. BLANCHE RASH, MRS. EDITH BRAY, and MRS. HELEN DUDLEY, earnestly strive to improve their students socially as well as educationally.

MRS. JEAN MATHIS, MISS LOIS PARKS, and MISS MARTHA ROSE MILLER are striving hard to acquaint their fifth graders with a higher degree of education.

MRS. BLANCHE PHILLIPS, MR. CHY RASH, and MRS. W. H. DYAR are working to improve the manners and citizenship of their sixth graders.

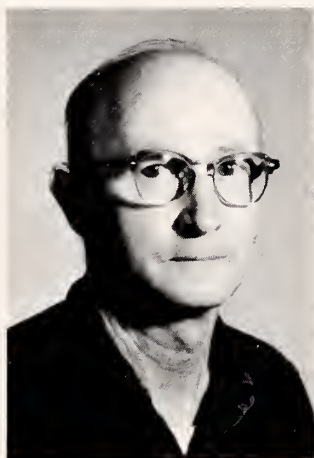

MRS. EDNA REECE, MRS. MARY KELLY, and MRS. MABEL WAGONER, our seventh grade teachers, make their subjects so interesting that there is never a dull moment in any class.

MR. EDWARD WEST and MR. CLYDE PHILLIPS' main objective is the preparation of the eighth graders for high school.

WAYNE HOLLEMAN, HOWARD PARDUE, KENNETH VESTAL, LARRY CHEEK, LARRY CHAPPELL, KENNETH ROBBINS, JAMES ARMSTRONG, RONALD PATTERSON, RONNIE MACY, LARRY WAGONER and GARLAND FORD are our safe, alert, and conscientious bus drivers who deliver approximately 800 students daily to school.

MR. LARRY LONG, our custodian, is always near at hand to help students and teachers; and, does a wonderful job of keeping our school in order.

JOLENE WEATHERMAN, JANICE HARRIS, BILLIE ANN HARTSELL, LINDA GOUGH, LINDA PARDUE, NANCY EVERIDGE, and CAROLE COLLINS, our office girls, are a valuable asset to our school. Their service, in keeping records and in helping out in other phases of schoolwork, is indispensable.

RICHARD WHITE is ready to answer calls of elementary teachers — always willing to help.

Our lunchroom personnel, ETHEL ADAMS, LOIS HARRIS, SADIE VANHOY, MYRTLE RAY, RUBY FREEMAN, MARY BLACKBURN, and ESTELLE BYRD, do a splendid job of keeping all students happy and well fed by serving delicious meals daily.

In Memoriam

Peggy Prevette was for nine years a member of our class. In a quiet, winsome manner she had always a cheerful air. Peggy is more than a cold statistic of highway accidents. She is the memory of a sweet, smiling sixteen-year old who was nothing less than a regular Blue Jay.

Class History

At last we were in high school! What a thrill it was to be classified as freshmen. After a month or so, we finally settled down to do our work. Then came the initiation! It was a scream for the other high school students to see us dressed as "Mother Goose" characters. All harsh feelings and hurt prides were mended the night after initiation when the Seniors gave us a party.

The sophomore year was relatively easy as compared to our freshman year. This year wasn't as exciting as the freshman year, but we still had our good times.

Finally after two short years, we were upperclassmen, Juniors. We had mid-terms and then settled down to work out a method to make enough money for our Junior-Senior Prom. We finally got the necessary amount of money and made preparations for the coming Prom. The big night arrived and the boys, with scrubbed ears, and feeling intensely uncomfortable in a tie, knocked on their date's door. The boys with awkward feelings, surrendered their bouquets to their dates and escorted them to the school. Then came the final exams and promotion from Juniors to Seniors.

And now we are Seniors. We don't know what the future holds, but we can look back on our school life and have many warm memories.

PERRY STOKES
Historian

An important decision is made as to the color of caps and gowns; but we don't seem to worry about color, just so we have the assurance of getting to wear caps and gowns.

The J. H. S. football team while winning the Yadkin Valley championship and advancing to the quarter finals of the state race before dropping a squeaker, 13-12 was considered the finest in school history.

The Jays swept through the Yadkin Valley conference, unbeaten and untied. They displayed a double-barrel offense in scoring a total sum of 282 points while their equally as powerful defense held opponents to a meager 30. The only regular season loss came at the hands of a 2-A team. A number of records were broken and rewritten, teamwise and individually.

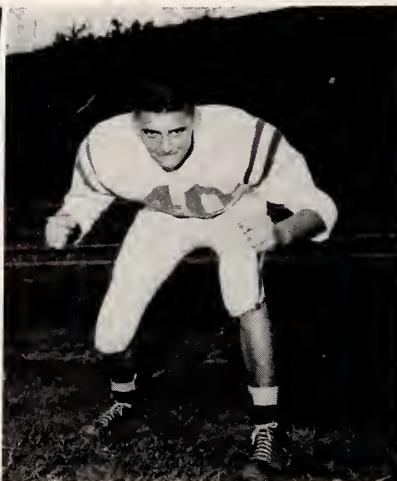

The Blue Jay gridders started the season off right—by winning and kept this trend up all the way. With ten great seniors, Roy Lee Shores, Bud Reece, Garland Ford, Pete Wagoner, Reg Banner, Tony Turner, John Frank Cockerham, Mike Randleman, Gale and Dale Martin, backed by some underclassmen, Coach John Charles with his aides Mathis, Bradley, and Poteate molded the Jay team into a powerhouse among Class-A teams.

Bud Reece really pours it on for another Blue Jay score.

Happy boys—happy coach—for this was the Yadkin Valley Championship game.

"Now it's like this, Pete," says Coach Charles.

Shake a leg, Tony Turner.

Practice is what makes our Blue Jay teams build the records they do. Dale Martin, Roy Shores and Mike Randleman.

An opponent's aerial attack didn't stop Charles Collins and Mike Randleman.

Flash Randleman takes off while Roy Shores relaxes for a moment.

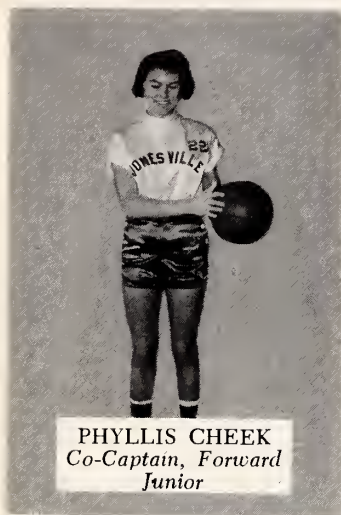

One of the "Rinky - Dinks" (Chris Canipe) finally gets to play.

This was quite a tense moment when the secondstring "took over" in the game with Booneville.

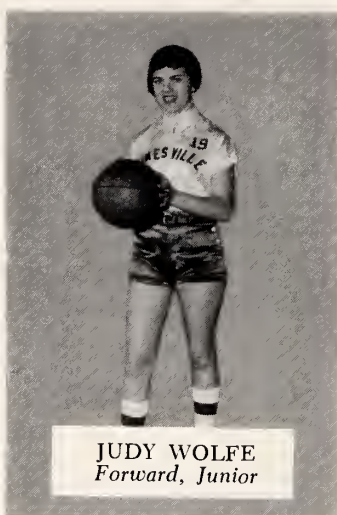

After one of his spectacular runs for a touchdown, Roy Lee Shores pauses for a drink of water.

Happy Jays are here again!

JOHN MATHIS
Coach

Front row: Pete Wagoner, Jerry Finney, Bud Reece, Howard Pardue, Paul Reynolds, Garland Ford. Back row: John Shaw, mgr., Leonard Groce, Charles Collins, Bob Williams, Dale Martin, mgr., Hoyt Royall, Dewitt Collins, Seth Cheek, Duff Freeman, mgr.

Patsy, Bernice and Frances have but a single purpose.

It's clear to see that Frances has this rebound.

Shots like this one by Phyllis are what leads the Jettes to victory.

It's all yours, Judy!

No basket here, because Sue is guarding.

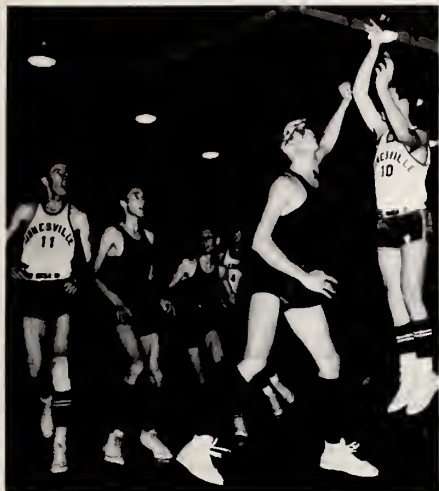

Phyllis goes "way up" for a basket!

Mark up two more for Phyllis, please, Mr. Score-Keeper.

Judy sinks another one!

A Blue Jay in flight and Bud's got two points.

Wonder what Garland, Pete, Coach Mathis, and Bud have schemed this time.

It looks like Jerry can't be stopped on this one either.

Howard pulls down another rebound. It's not an unusual thing.

Which one grabbed this rebound, Paul?

Jerry has stolen another ball.

Sorry, but you can't take this one from Garland.

One reason so many "scouts" visit J. H. S., (He plays defense too).

Baseball

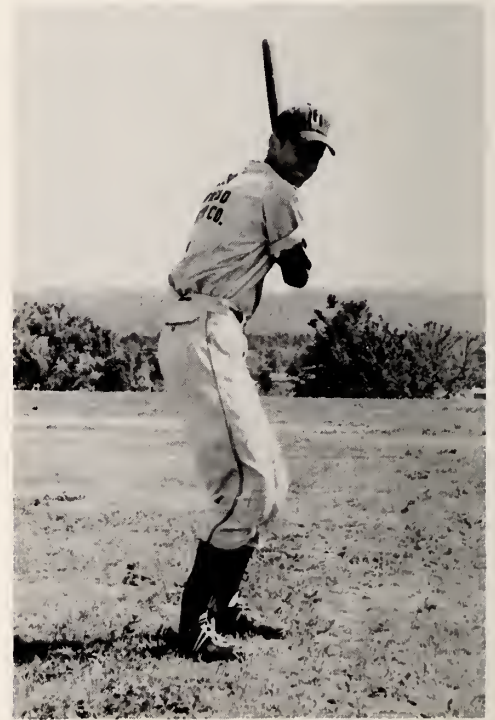

Sitting: Ray McBride, *Mgr.*; Arnold Pruitt, Larry Brannon, Perry Stokes, Larry Wagoner, Seth Cheek, Benny Wiles, and Mike Boles, *Mgr.* *Standing:* Barry Tilley, Johnny Shaw,

Charles Collins, Pete Wagoner, Howard Pardue, Paul Reynolds, George Vigneault, Donald Groce, and Coach Charles.

Howard Pardue, pitcher and outfielder.

Although interest in baseball has been declining nationwide for several years. We at Jonesville are having an uptrend toward baseball and we have a new spark of hope, too. That spark is our new baseball field. We need more boys out for baseball and we need more interest in baseball by everyone. Although our team didn't do too well last year, we feel that we are improving. We should have a good team this year with a lot of power and ability. Coach Charles is an excellent coach and he never fails to point out and correct our weak spots on the field and at bat.

Paul Reynolds, our pride of a catcher.

GIRLS' TENNIS

First row: Sarah Pardue, Linda Pardue, Frances Spainhour, Georgia Royall, Patsy Martin, Gerrie Knight. *Second row:* Bobbie Feinster, Sue Ray, Patsy Thomas, Judy Wolfe, Sharon Tilley, Bernice Vestal.

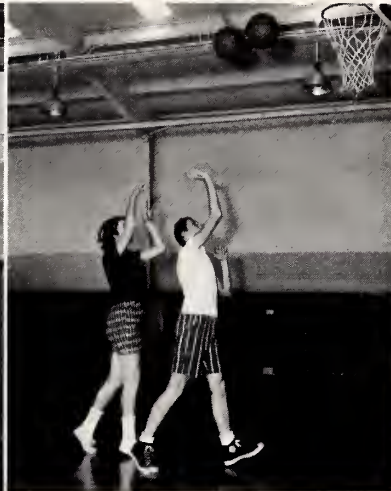

BOYS' TENNIS

First row: Jerry Finney, Howard Pardue, Charles Collins, James Swain, Chris Canipe. *Second row:* Stephen Canipe, Donald Adams, Oren Williams, Eddie Wooten, Johnny Shaw.

Our new gymnasium is used for Physical Education as well as varsity basketball.

No strings!

Basketball is the favorite game in Coach Charles' third period Physical Education class.

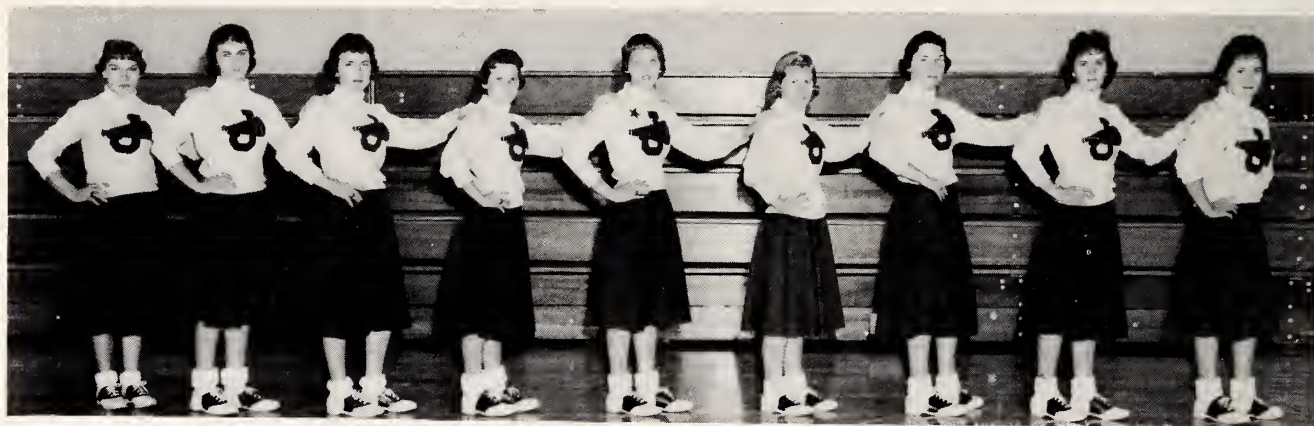

JR. VARSITY

First row: Donald Adams, Charles Reece, Johnny Shaw, Eddie Wooten, "Scooter" Parker, Larry Brannon. *Second row:* Kenneth Haynes, Ronnie Macey, Chris Canipe, Warren Prevette, Gale Haynes, Albert Macemore.

From these Jr. Varsity boys comes our excellent teams.

Our theme, "Stairway To The Stars," is well illustrated by the art work in the background.

Everyone worked hard to make our Junior-Senior a success, and the results were worth it!
